Dear Parents and Carers,

On behalf of the Leicestershire NHS Trust we have been asked to share with you a letter regarding the decision by the UK's Chief Medical Officers who have recommended that the first dose of the COVID-19 vaccination should be offered to all healthy children aged 12-15 years.

The Immunisation Team have requested that the vaccination programme is carried out in schools across the country.

The NHS Immunisation Team are currently offering a vaccination session in school on Wednesday 6<sup>th</sup> October to deliver the first dose of the COVID-19 vaccination, for healthy children aged 12-15 years. *(If this date or arrangements change, this will be communicated to students, parents and carers promptly.)*

Consent can be given by completing an online form – instructions can be found on the 2nd page of the attached letter from NHS England. There is a deadline for submitting your consent, so please prioritise the completion of the form if you would like your child to be immunised.

Should you have any questions or concerns please contact the School Age Immunisation Service (SAIS) or follow this link to the [government guidance for parents](#).

Kind regards,

Lisa Hickman

Head of School
